

MOHAN BISWAS

Full Stack Developer | Immediate Joiner

PROFESSIONAL SUMMARY

Results-driven Full Stack Developer with 4+ years of experience delivering end-to-end web and cross-platform mobile applications. Proficient across the full stack — building responsive frontends with React.js and Next.js, robust backend APIs with Node.js and Fastify, and cross-platform mobile apps with Flutter. Skilled in JavaScript, TypeScript, Dart, REST APIs, WebSockets, Firebase, AWS, Docker, and modern databases. Strong understanding of software architecture, performance optimization, CI/CD, and agile practices, with a proven ability to take products from concept to production independently. Immediate Joiner.
